### **Program Description**

The Summer Fun Drop-In Recreation Program is a FREE summer program for students entering the 1<sup>st</sup>-6<sup>th</sup> grade for the 09-10 school year. Summer Fun is offered Monday through Friday from 9:30 to 5:30 at three sites: Franklin, Harding and McKinley Elementary Schools. Free lunch is provided through the Community Action Commission summer lunch program. Inclusion support is available to participants of these programs who have special needs such as physical, mental and developmental disabilities. Although the program is free, we do not provide the fees for the field trips that require admission fees. Our program offers many opportunities for your child to learn about Santa Barbara culture by visiting some of our fabulous museums and getting to see all that Santa Barbara has to offer for recreational experiences by playing on the various beaches, going on hikes and visiting many of the parks. On-site activities include games, crafts and sports and theme weeks. Everyday is a new adventure!
